JOHN F. KEENAN, United States District Judge:

Plaintiffs request that the Court adjourn the trial of this case, which is currently scheduled to begin on March 14, 2011. In support of this application, Plaintiffs' counsel proffers that one of the Plaintiffs is seriously ill and would be unable to attend the trial. Defendant Merck Sharpe & Dohme Corp. does not object to Plaintiffs' application.

The Court grants Plaintiffs' application, and the trial is adjourned from March 14, 2011, until September 7, 2011. This new trial date is firm.

After ruling on the pending summary judgment and Daubert motions, *and dismissing the motion for summary judgment (JFK)*, the Court will issue a revised Pre-Trial Scheduling Order, which will set new deadlines for briefing motions in limine, exchanging deposition designations and counter-designations, and all other pre-trial matters not yet resolved.

SO ORDERED.
